► INTRODUCTION

Great things in business are never done by one person. **They're done by a team of people.**

Business made simple

MESSAGE FROM DIRECTOR

We produce creative, effective and cost effective customized solutions for our clients and measure our success by our client's success as they are our partners. We are sharing success together.

COMPANY PROFILE

COMPANY PROFILE

TEAM OF SPECIALISTS

Our team's area of expertises are: Design, Development, Digital Marketing, Video Editing, Animation, Photography and Videography, Print etc.

▶ ABOUT OUR COMPANY

WE HIT OUR GOALS

Catch Square aims to provide all-in-one IT solutions to all of its clients.

Catch Square is a professional Web, Mobile, Digital Marketing and Software Development Company that successfully operates in the IT-market since 2017.

We have highly skillful developers, designers and digital marketing team in Kathmandu. Thanks to this we are able to provide our customers with best services at a very competitive price. Our mission is to build strong and reliable team to serve top quality design and development works globally.

We strive to deliver more efficient, effective and

relevant quality services and solutions tailored to the increasingly complex demands of organizations, in order to boost productivity of operations and to maximise value for our clients.

We also strive towards technology that provides a real advantage to a business. The most powerful connection that a business can make is through all its stakeholders. Catch Square binds together business and technology.

▶ OUR BUSINESS CORES

Catch Square believes in sustainable growth through innovation, creativity and competence. We also believe in treating our customers with respect. We value honesty, integrity and ethical business practices.

EFFICIENCY

Quality work with high efficiency

ECO-FRIENDLY

Save trees and maintain eco-system

SECURITY

No data and private info leakage

SAFETY FIRST

It is always our first priority to keep the data and personal information of our clients safe. Also, all of the development projects we work on are tested extensively before delivering to ensure the security of the system. We believe the threat to the humanity is leakage of data in this era.

IMPORTANT THING

When a business operates inefficiently, it can end up absorbing an incredible amount of revenue each year. By understanding business efficiency and the strategies for improving it, we can help our clients' waste less effort and time, allowing it to run much more smoothly.

GREENER FUTURE

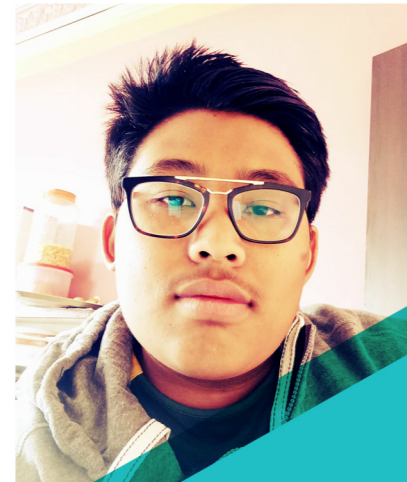

It is our belief that organizations should behave in as environmentally friendly a way as possible. It's one of the most common forms of corporate social responsibility.

“BE UNDENIABLY GOOD. NO MARKETING EFFORT OR SOCIAL MEDIA BUZZWORD CAN BE A SUBSTITUTE FOR THAT.”

WEBSITE

The building and maintenance of websites; it's the work that happens behind the scenes to make a website look great, work fast and perform well with a seamless user experience.

PHOTOGRAPHY

The art, application, & practice of creating durable images by recording light, either electronically by means of an image sensor, or chemically by means of a light-sensitive material.

➤ SUMMARY OF GOAL ACHIEVEMENTS

02 Target 01 Target 03 Target

- *Set SMART Goals*
- *Make Action Plan*
- *Stick With It!*

WITHOUT GOALS YOU LACK FOCUS AND DIRECTION

Goal setting is a process that starts with careful consideration of what we want to achieve, and ends with a lot of hard work to actually do it. In between, there are some very well-defined steps that transcend the specifics of each goal. Knowing these steps will allow us to formulate goals that you can accomplish.

WORK FLOW

STABLE TEAM

PROJECT SUCCESS

SATISFIED CUSTOMER

THE KEY OF SUCESS

Success is not final; failure is not fatal: it is the courage to continue that counts.

~Benjamin Franklin

PERSISTENCE

You've got to want it bad enough, that when the mud slings on you, then you just wash it off and go again.

RESEARCH

Your business plan can help keep you organized and focused. You'll refine your business idea as you create plan.

DO THE WORK

The key to success isn't very glamorous. But there is no avoiding it. You've got to take action.

OUR GLOBAL ACTIVITY

Since the establishment of Catch Square, we worked for various agencies worldwide. We supported the companies in Australia, USA and Netherlands in their development and design projects remotely.

▶ HOW WE WORK

PEOPLE

As the backbone of the business, our people must be taken care of first. Excellent people exude a strong business' breadth and base.

CUSTOMERS

Whatever we do, the purpose is to serve clients. One happy client gives us an excitement that lasts.

PASSION

“Without people, and vision”, no jobs are made. But without passion and a heart into it, no incredible jobs are done.

VISION

Vision shapes our path, gets us on the ladder faster, and brings a long-term & more coherent leadership.

▶ WHY CHOOSE US

Our strong sense of identification with client projects means that we are constantly striving to provide solutions, even for issues they aren't yet aware of. To this end, we adopt a progressive approach to technology and marketing techniques.

▶ DEDICATED TEAMS

As a team, we have undertaken projects from all over the world and have delivered the best results to our clients.

▶ GLOBAL KNOW-HOW

This global know-how has been built on a reputation for technical excellence through CIGRE's uniquely apolitical forum where unconstrained ideas are freely exchanged.

▶ TRUE PARTNERS

Our clients are our true partners because they trust us on what we do and they have always put forward the challenges in front us to prove.

▶ FOCUS ON INNOVATION

Innovation” is the word on everyone's lips, from government to entrepreneurs, users to the person on the street. So, we focus on innovative ideas.
